DEMOCRATIC VICTORY.

Cook's Plurality for Secretary of State 18,245.

Corrected Figures and Results of Yesterday's Election.

Col. Fellows's Vote Unexpectedly Heavy Downtown and on the East and West Sides—Effect of the Pulling Off in the George Vote—Contests in Close Districts—What Comparisons with Last Year Show.

There are only a few corrections to be made in the results of the city vote as given in the latest extra edition of the EVENING WORLD last night. The complete returns show that Col. Fellows's plurality is larger than it was estimated to be. He polled an unexpectedly heavy vote downtown and on the east and west sides of the city, as a glance at the figures by Assembly districts will show. The falling off in the vote of the Labor party had much to do with Col. Fellows's election. There is no doubt that he received the votes of two-thirds of the men who voted for George for Mayor last year, but who did not support the land-tax advocate for Secretary of State this year. The Republicans who enlisted in the Labor party appear to have deserted it for the Democratic party. Col. Fellows received the support of the German Republicans and also that of the Socialistic Republicans. It is thought that the Progressive Labor party gave Col. Fellows at least 5,000 votes. Mr. Nicolli polled a heavy vote in the Seventh, Ninth, Tenth, Eleventh, Thirteenth, Seventeenth, Nineteenth, Twentieth, Twenty-third and Twenty-fourth Assembly districts. The Republicans did not get their full vote for him in these districts, thousands refusing to support either Col. Fellows or Mr. Nicolli. Then many Republicans voted for Col. Fellows because they had a personal acquaintance with him. Mr. Nicolli, however, got a flattering Democratic vote in the uptown districts, as it was predicted he would in THE EVENING WORLD.

THE NEXT LEGISLATURE.

"Tem" Platt Holds the Senate—Democratic Gains in Both Branches. There seems to be no doubt that the next Legislature will be Republican in both branches. The Democrats have lost two Senators in the Eighth and Twelfth, but have gained the Fourteenth, Sixteenth and Twenty-ninth districts by defeating Connelly, Manville and Hanson respectively. In the House the Democrats have done even better. They made a total gain of seven, although they lost two in Kings. From this count the Republicans will have one Senator, Van Cott, who succeeds Dunham in the Eighth, and three members of Assembly, Morgan in the Seventh, Hamilton in the Eleventh and Crosby in the Twenty-first.

RACING AT IVY CITY.

First Day of the Jockey Club's Second Autumn Meeting.

The Weather Pleasant, the Track Fast, the Racing, Attendance and Time Good.

The Honors About Evenly Divided by the Favorites and Non-Favorites—The Winners Mala, Harvard, Dunbar, Beale, June and Frankie B—Barum's Owner Hues Him in Consecutive Races.

Judges—Ex-Gov. Oden Bowie, G. M. Oyster, Jr., F. M. Dray, Tinner—W. P. Birch and W. R. Jennings. Starter—J. F. Caldwell. (SPECIAL TO THE EVENING WORLD.) IVY CITY RACE TRACK, WASHINGTON, D. C., Nov. 9.—The National Jockey Club began its second autumn meeting to-day. During the morning the weather was decidedly cold, but it improved as the day advanced, so that it was quite pleasant during the racing. The attendance was not large, the trains from Baltimore bringing less people than on any day during the first meeting. In the betting ring there are fourteen of the original book-makers, none of whom were overwhelmed with business. The track is fast, and the racing began with an upset for the favorite, King of Norfolk, ridden by McLaughlin. He managed to finish second, as against Davis & Hall's mare, the second favorite, who did the three-quarters in 1:04. The second race was very similar. Barum was a strong favorite, but the old horse could not go the pace, and Harvard won somewhat easily, running the mile in 1:42. His backers in the mutuels getting \$95 for each of their five. Notwithstanding Barum was clearly out in the second race, and had not a ghost of a chance to beat Dunbar in the third, he was started, so as to get the \$100 second money. Poor old Barum! you certainly have to earn your feed. This would race was a heavy-weight handicap at three-quarters of a mile, which the favorite, Bessie June, ridden by McLaughlin, won somewhat easily in fast time. The first and last race brought out the largest field of the day of which Clifton Cotton was the favorite. He ran second, the Baltimore-owned horse Frankie B. winning, paying his backers the handsome sum of \$137.75 in the mutuels.
